

## Spectator Guidelines

Road Closures: Rt 183 will be closed from 8:30 am to 2 pm. Hawthorne Rd will be closed from 9 am to 12:15 pm. ALL PARKING is at the Tanglewood Lions Gate Lot ONLY. Due to road closures, you can either park before 9 am or wait until 12:15 pm, there will be no exceptions.

- There will be a trail to the Bash at the bottom of the Lions Gate lot, which will be well-marked, or you can walk on Hawthorne Rd.
- If walking on Hawthorne Rd to the Bash, PLEASE RESPECT AND LISTEN to the officers and volunteers when they direct you - THIS IS FOR SAFETY PURPOSES, for you and our participants.
- There will be cones creating a divide between the walking spectators and the participants. Please stay to the right side of the road (the side of the Lions Gate Lot and the Camp).
- If you are going to the Bash, we ask that you please have a piece of paper in your car windshield, preferably in a bright color, that states you are going to the Bash. It can say "Bash Pass" or even just "Bash." We will include a few passes with each team packet, and there is also one on the website that you can print. The pass will help our officers when the roads start to get busy.
- Please NO DOGS at the Camp.
